PBHF Sporting Clays Tournament

17 October 2025 – Midland, TX

Jakes Clays

Join the Chevron Midland Veterans Employee Network at a Sporting Clays Tournament benefiting Permian Basin Honor Flight, October 17th at Jakes Clays in Midland. Proceeds from the event benefit the Permian Basin Honor Flight, a nonprofit, 501(c)(3) organization that raises funds to transport our local veterans to Washington, D.C. to visit the memorials built in their honor. They served and sacrificed for our country.

The Honor Flight Network is a national organization composed of independent Hubs collaborating to advance the Honor Flight mission. In support of this shared goal, we can demonstrate our nation's gratitude and respect for veterans. Participation in an Honor Flight trip offers veterans the opportunity to commemorate this significant occasion alongside fellow servicemen, honor friends and comrades lost, and share their stories and experiences with other veterans. All honored veterans travel at no cost. The Permian Basin Honor Flight currently serves veterans from the WWII, Korean War, and Vietnam War eras, as well as terminally ill veterans from any period.

The course consists of a series of 10-15 stations that a group of shooters moves through. Each station presents a unique challenge of targets that simulate the flight characteristics of real birds. Shooters will follow Jakes Clays' rules, which are designed to ensure everyone's utmost safety.

Shooters of all experience levels are invited to attend. Bring your teammates and friends out to enjoy a fun day on the range for a great cause and meet some American heroes.
